## **Social Media Disclaimer and Guidelines**

DHR Health has an active presence in multiple social media channels. Please read our guidelines before joining the conversation. By participating in these social media channels, you agree to the terms listed below.

Note: if you are experiencing a medical emergency, please call 911. DHR Health's social media channels are not intended to be used for emergency situations.

DHR Health reserves the right to address any comments or content deemed inappropriate, or block or suspend users posting such content. The following types of comments are expressly prohibited:

- Abusive or hateful comments
- Comments that use foul language (ex., cursing)
- Comments that include "hate speech"  
(language that could be viewed as offensive based on race, ethnicity, gender, sexual orientation or special needs)
- Personal attacks or abusive comments (i.e., insults to someone's character)
- Confidential information, including protected health information
- Comments and/or photos that violate the privacy of our patients, families and/or staff members
- Comments that violate local, state, or federal laws and regulations, including copyright laws, and including the posting of links that can cause harm to computers
- Solicitation of sales or promotion of services, websites, or organizations not related to DHR Health
- Statements found to be false by law enforcement
- Falsely representing that you are an employee or representative of DHR Health

Information posted and/or shared on our social media sites should not be considered medical advice, nor is it intended to replace consultation with a qualified health care provider. Use of DHR Health social media does not create a health care provider-patient relationship with any DHR Health provider. If you have questions about your health, please contact your health care provider.

Third-party links to other websites/organizations on our social media sites are provided as a service to readers and do not constitute endorsements of said content or organizations. DHR Health is not responsible for the content of external websites.

By sharing content to DHR Health social media pages you understand that this information is publicly available and DHR Health has no control over duplication of content, images, videos, etc. If you do not wish to have your information published and available to the general public, please do not post the information to our social media pages.
